**Notes:**

\* If lease is renewed prior to current lease expiring, then this discounted pricing is applicable.

Lease Renewal for STACKDES = Stackdes is a leased program which means at the end of the lease period the program stops working.

Maintenance Renewal For MECAWind = At the end of the lease period, you will still be able to use the program, but will not receive technical support or software updates.

Quantity discounts automatically calculated when the "# of licenses" is entered.
